

Dear friends and colleagues,

Welcome to the first issue of the new ELIAMEP TIMES! Aiming at improving our communication with you and avoiding overloading your mailboxes, we have transformed our traditional newsletter into a modern, reader-friendly electronic publication, which offers you a concise overview of all our latest news and allows you to access the articles that interest you the most through a simple mouse click. We hope you will embrace this new version of ELIAMEP TIMES with the same warmth as its predecessor and support us, through your feedback, in turning it into a living, productive channel of communication.
