Dear Friends of ELIAMEP,

Our Foundation is a partner of the project '[Integration policies: Who benefits? The development and use of indicators in integration debates](#)' (MIPEX 2015) led by the Barcelona Centre for International Affairs (CIDOB), and the Migration Policy Group (MPG). The project aims to inform and engage key policy actors about how to use indicators to improve integration governance and policy effectiveness. Additionally, the final report of ELIAMEP on the '[Assessment of the impact of policies funded by EU budget on the course of Greek economy](#)' is now available.
