Chair: Toplica Spasojevic, President, ITM Sistem

14.00 Break - Light lunch

14.30 **WHERE IS EUROPE HEADING TO? BREXIT VS WESTERN BALKANS**

Following the European Parliament elections a new political cycle opens. Despite the reforms achieved, there is a significant degree of economic divergence and rising inequalities. What are the current accession prospects of Western Balkan countries? Challenges and pitfalls to be faced before 2020.

H.E. Sem Fabrizi, *Ambassador and Head of Delegation of the European Union to the Republic of Serbia*

H.E. Gordana Bakota, *Croatian Ambassador to Serbia*

H.E. Kimmo Lahdevirta, *Finland Ambassador to Serbia*

George Pagoulatos, *Professor, Athens University of Economics & Business; Vice President, ELIAMEP, Greece*

Corina Stratulat, *Senior Policy Analyst, European Policy Analyst, Brussels*

Chair: Jovan Kovacic, EWB President, Trilateral Commission ExCom Member, TC Serbian Group Chairman

15.45 **SOUTH EAST EUROPE: THE REGIONAL STABILITY CHALLENGE**

The countries of the Western Balkans, find themselves, once more, in the centre of a critical geopolitical competition. It is high time for the region to overcome old conflicts and Western Balkan countries to take actions for securing peace and development

H.E. Sem Fabrizi, *Ambassador and Head of Delegation of the European Union to the Republic of Serbia*

Alexander Botsan-Kharchenko, *Russian Ambassador to Serbia**

H.E. Thomas Schieb, *German Ambassador to Serbia*

H.E. Jean-Louis Falconi, *French Ambassador to Serbia*

H.E. Nikolaus Lutterotti, *Austrian Ambassador to Serbia*

Marko Savkovic, *Program Director, Belgrade Fund for Political Excellence*

Norbert Beckmann-Dierkes, *Head of the KAS Office in Serbia, Montenegro, Konrad Adenauer Stiftung*

Chair: Prof. Ivan Vujacic, Professor, Faculty of Economics, University of Belgrade & Member of the Board of Directors, Eurobank

17.15 **ENERGY GEOPOLITICS: THE CHALLENGE FOR SERBIA AND THE REGION**

Recent international trends in the energy sector could be an opportunity for Serbia and the region to turn things around and become key players in the energy sector. In a dynamic environment the next few years will be decisive in determining which among several competing energy visions will succeed. How should policy-makers balance investments in energy with global climate change commitments?

Opening Remarks:

Aleksandar Antic, *Minister of Mining and Energy of the Republic of Serbia*

Petar Đokić, *Minister of Energy and Mining of the Republika Srpska*

Chair: **Dragijana Radonjic Petrovic**, Vice President, Serbian Association of Economists

12.30 Break – Coffee/Tea

12.45 **GLOBAL CHAMPIONS AND THEIR IMPACT IN THE ECONOMY**

Large corporations have an impact on host country, often in complex and imperceptible ways. Provision of significant employment and training to the labour force, transfer of skills and expertise, helping to develop the quality of the host labour force and adding to the host country GDP through their spending with local suppliers and through capital investment are only some of the benefits. How can Serbia maximize this impact?

Ivo Ivanovski, Director for M&A, International Affairs and Regulation Telekom Austria Group

Ana Govedarica, General Manager, ROCHE

Yana Mikhailova, CEO, Nestlé South East Market

Vladimir Cupic, Director, Atlantic Group

Erich Cossutta, Managing Director, PEARL - Piraeus Europe Asia Rail Logistics (Member of COSCO Group) & President, Confindustria

Chair: **Aleksandar Medjedovic**, Executive Board Member – Turkish-German Chamber of Commerce and Industry, Berlin/Germany

14.00 **ARTIFICIAL INTELLIGENCE: CHALLENGES AND OPPORTUNITIES**

As AI becomes more sophisticated, there is an increase in algorithmic decision-making in all aspects of the society, in healthcare and education, in the justice system, in recruitments, in finance and giving loans and in optimising how consumers are targeted. How can Serbia capitalize on the technological revolution?

Aleksandra Vuksanovic Kurtovic, CEO of Atom partner and Member of Board of Directors at AIGO

Marko Kazic, CEO, Zamphyr OÜ

PhD Dusan Barac, Professor, Faculty of Organizational Sciences, University of Belgrade

PhD Drazen Draskovic, Assist. Professor, The Depart. of Computer Science & IT, School of Electrical Engineering, University of Belgrade

Chair: **Aleksandar Medjedovic**, Executive Board Member – Turkish-German Chamber of Commerce and Industry, Berlin/Germany

14.45 **Closing Remarks – End of Conference – Light Lunch**

to be confirmed *
