## European Academy Berlin (EAB)

Understanding Europe. Shaping Europe

This maxim encapsulates - in a nutshell – the aim of the European Academy Berlin (EAB). Since 1963, the Academy as non-profit and non-party institution has been organising seminars and conferences on European topics, bringing together visitors from Germany and abroad. The Academy is an acknowledged player in European civic education, a competent service provider as well as partner in the fields of international education, seminar and project management, and is a venue for learning, encounter and meeting with its own individual atmosphere.

## The Hellenic Foundation for European and Foreign Policy (ELIAMEP)

The Hellenic Foundation for European and Foreign Policy (ELIAMEP) is an independent, non-governmental, nonprofit think tank, established in Athens, Greece, in 1988. Its mission is to conduct policy-oriented research and provide policy makers, academics and the public at large with authoritative information and substantiated policy recommendations, to contribute to the development of evidence-based responses to major European and foreign policy challenges.
