The **Hellenic Foundation for European and Foreign Policy (ELIAMEP)**
invites you to an **online discussion**:

"U.S.-Greece Collaboration in the Shipping Industry"

Shipping is a historically significant element of the Greek economy and identity. U.S.-Greek relations are the strongest they have been in decades, and new opportunities for collaboration have emerged in the shipping industry. The digital transformation of the shipping sector is another area of future maritime cooperation between the two countries. This discussion is part of a series of online events in the context of the ELIAMEP Research Programme entitled "Greek-American Economic Relations and the Future of the Greek Economy," and is organized with the support of the U.S. Embassy in Athens.

Opening Remarks:
