

Survey of  
Political & Social Developments

# Greek-Turkish Issues

December 2021-  
January 2022

# Survey information

**Agent name:** MRB HELLAS S.A. (ESR Registration Number: 3)

**Principal:** diaNEOsis/ELIAMEP/IPC

**Purpose of the survey:** To capture citizens' views on Greek-Turkish relations

**Age:** 17 and over

**Sample size:** 1.008 people

**Geographical coverage:** Panhellenic (Athens, Thessaloniki, Urban, Semi-urban, Rural areas)

**Data collection period:** December 2021

**Sampling method:** Stratified Panhellenic Sampling

**Data collection method:** Telephone survey with the use of the CATI (Computer Aided Telephone Interviews) special telephone interview system. The procedure of random selection of telephone numbers was followed. & Online survey with the use of CAWI (representative of the population panel)

**Statistical weighting parameters:** The total sample is weighted for: gender, age, region, degree of urbanization, voting area, level of education

**Agent name:** KONDA

**Principal:** diaNEOsis /ELIAMEP/IPC

**Purpose of the survey :** To capture citizens' views on Greek-Turkish relations

**Age:** 17 and over

**Sample size:** 2.731 people

**Geographical coverage:** Turkey-wide (Urban, Semi-urban, Rural areas)

**Data collection period:** December 2021

**Sampling method:** Stratified sampling

**Data collection method:** The interviews were conducted by phone with people who agreed to be included in the KONDA panel. The panelists participated in the system voluntarily. Age and gender quotas were applied during data collection

**Statistical weighting parameters:** The total sample is weighted for: gender, region, lifestyle

# Key modules of investigation

---

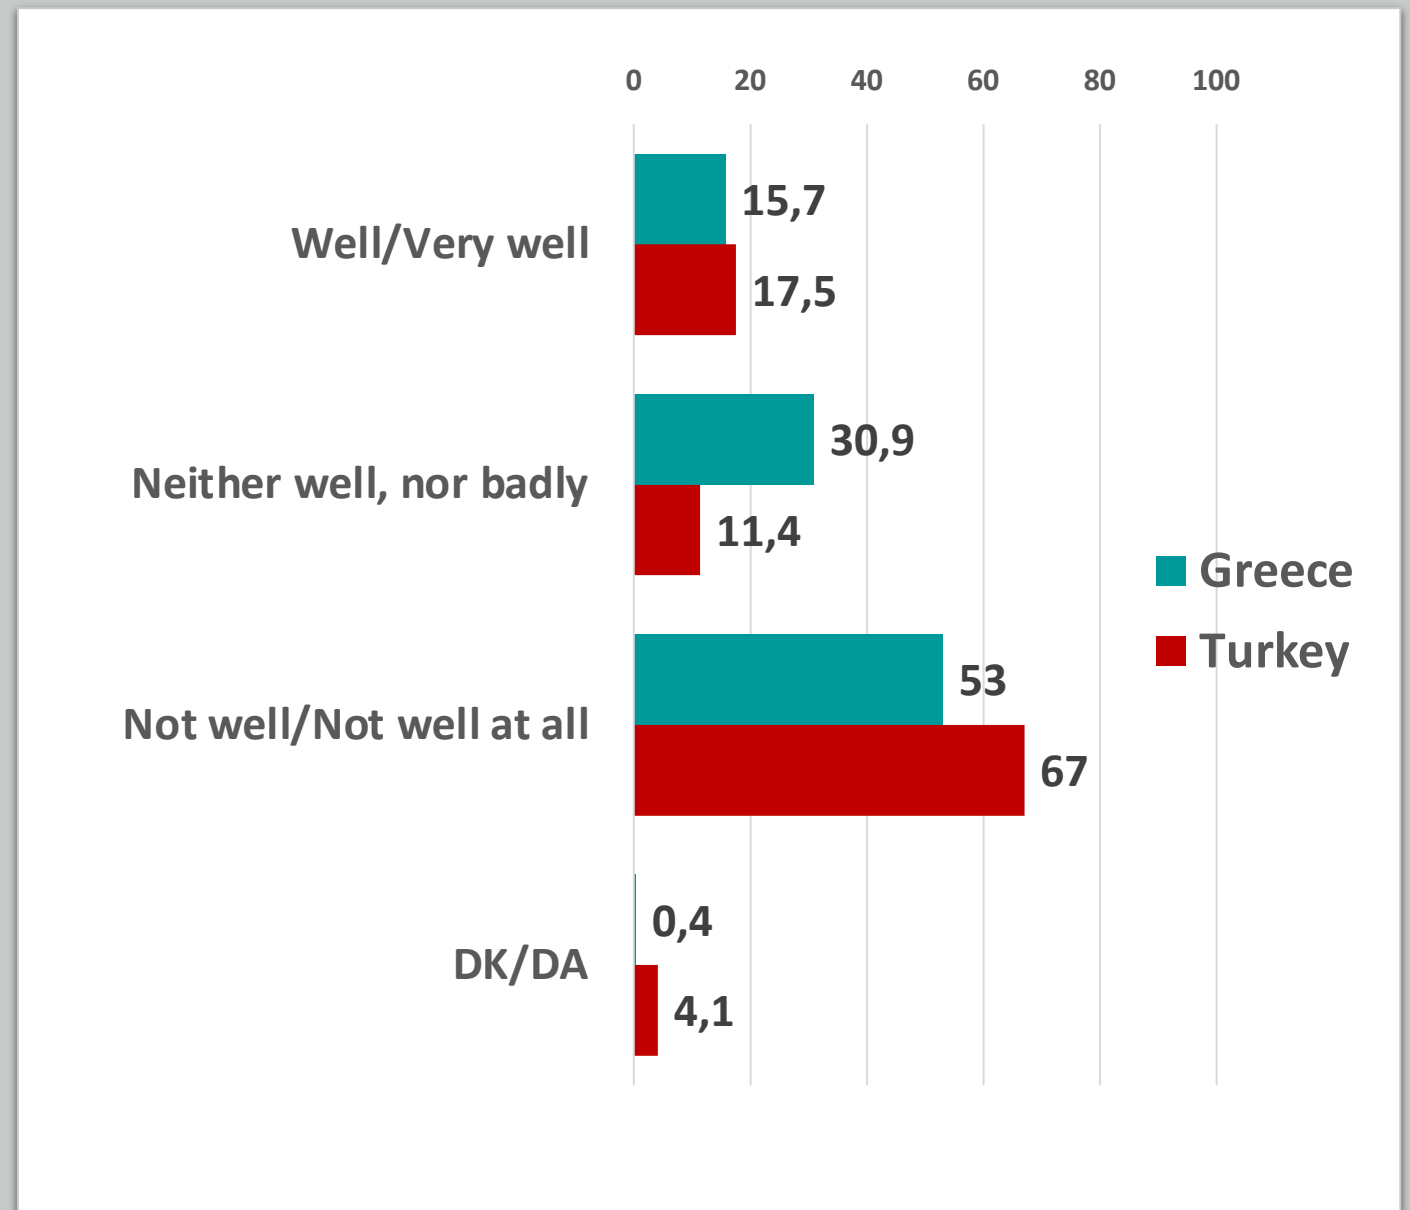

1. Assessments of the situation in the country in general / Personal situation
2. Perceptions among the peoples of Greece and Turkey
3. Perceptions of each country's overall policy towards the other – Greece and Turkey
4. The international factor
5. Degree of “pride” - Functioning of institutions and achievements
6. The role of religion in the lives of the two countries' citizens

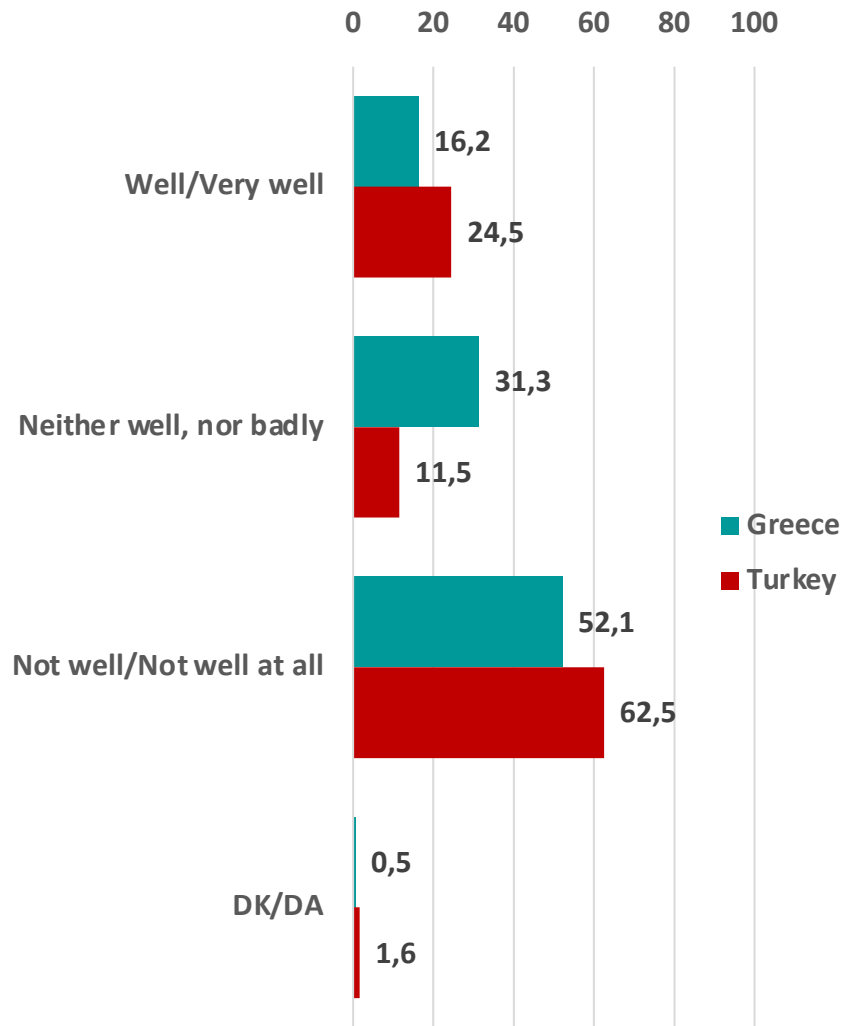

# 1. Assessments of the situation in the country in general / Personal situation

- Optimism index – *How do you think that things going in our country in general (Greece - Turkey)?*

Turkey has clear expansionist ambitions against Greece (and vice versa)

The problems between Greece and Turkey are created by politicians

The Aegean is a sea exclusively and only Turkish/Greek

Greeks/Turks are our neighbors, and we must find a way of living peacefully with them

Greek-Turkish disputes can be resolved more easily with dialogue and communication

The international community/foreign powers always favor Greece against Turkey/Turkey against Greece

Greek-Turkish disputes can only be resolved by military means
